

Introducing Classic Series Speakers

Classic Boston Performance

Classic Boston Styling

Classic Boston Value

Classic speakers are available in Cherry and Black Walnut finishes.

Classic Boston speakers, Classic Boston value

Classic Series was designed to offer Boston's legendary sound, classic look, exceptional quality, and value. Classic loudspeakers provide an excellent foundation for a multi-channel home theater system or a stereo-only music system. The Classic Series includes a high performance floorstanding loudspeaker, two small bookshelf loudspeakers, a center channel, a 100-watt powered subwoofer, and a satellite/center loudspeaker package. All Classic models are finished in Black Walnut or Cherry Vinyl - a classic look that looks great anywhere.

Key features

- Boston Kortec® soft dome tweeters for crystalline high-frequency sound
- Graphite injected polymer woofers utilize Deep Channel® Design (DCD) for more bass from less amplifier power
- Acoustically tuned port for improved bass
- MagnaGuard® magnetic shielding prevents video interference
- 5-way gold-plated binding posts for hook-up flexibility and the purest signal transfer

Available now.
