### Deep Channel® Design (DCD)

For more bass from less amplifier power.

### BassTrac® Circuitry

For tight, distortion-free bass at all output levels.

### Front-firing driver, rear-ported cabinet

Delivers extended low-frequency response.

### Adjustable phase and volume controls

Let you fine-tune performance to suit your taste and room acoustics.

### HPS 8Wi

Just connect the transmitter to your receiver's subwoofer output and plug the subwoofer itself into any wall outlet. That's it, you're done. Over-the-top bass excitement has never been easier.
